BRH viabus announces contract extension in Bad Vilbel

MET subsidiary, BRH viabus will continue to run local bus services in Bad Vilbel until 31 December 2017 as its current contract is extended beyond June 2016. The existing fleet of eight buses will operate throughout the contract extension.

Lars Kongsbak, BRH viabus Managing Director, said: "We are delighted to maintain our long-standing relationship with the Stadtwerke Bad Vilbel for the operation of this important service."

Notes:

- Stadwerke Bad Vilbel is the town's public works authority
- The original urban/city service contract began on 25 May 2010
- The fleet comprises of 7 x Midi buses to navigate the town's narrow streets and 1 x Artic bus for school service
